Use the arrow on the corner of the menu bar to select New from Folder. STEP 3: Make a new a681f4349e

Q: How can I adjust the frequency of an animation in jquery? I am new to jQuery and I am wondering how I can adjust the frequency of an animation. I have read about \$.animate, but I can't make sense of it. Any help would be appreciated. Thanks in advance

A: `$('.div').hover( function() { $(this).animate({ 'height': '1000px', 'width': '1000px' }, 1000); }, function() { $(this).animate({ 'height': '200px', 'width': '200px' }, 1000); } );`

The cultural impact of sexual health. The impact of sexual health has been found to vary substantially by population group, age, and marital/partner status. Of the various dimensions of sexual health, sexual relationships and related feelings are the most important. They are related to female sexuality, marital satisfaction, and are important in determining whether or not women may be able to enter into a new relationship. Health outcomes of sexually active women is an area of great significance as well as the need to protect the rights of women (eg, to maintain confidentiality) in a variety of health-care situations.
