Main Scenario

An Elden Lord, the leader of the Free People of Wind, who rose in revolt against the tyrannical Kingdom of Elden and regrouped a group of warriors from other nations to depart for the former Elden Kingdom.

They made peace with Elden and became the Guardians of the Realm. As a result, they acquired a territory of their own and carved a kingdom here and there across the Lands Between.

The world of Elden grew in every direction and filled with wilderness and settlements.

The united forces of the Elden Lord have sealed several entrances to the Dungeon under the guidance of a Guardian, aiming to defend the homeland of the Guardians against the enemies that have yet to meet them.

Seven Elden Lords are scattered across the Lands Between. Would you dare to challenge them?

Join the Guardians of the Realm and engage in the thrilling story of your own adventure. In order to succeed, there is no limit on your potential.

Use the various elements – ground, sky, and water – to overcome the challenges of each zone. Battle wild enemy creatures with magic and weapons. Acquire massive wealth and power in the Dungeon.

Evolving your character will have profound effects on both your class, and on your game. Experiment to find a path that suits your play style.

Are you ready to take on the challenges of taking on the world?

www.kadokawa.jp/arena Thanks to the fact that we have been called the Rising Sun for two consecutive years, we asked ourselves; “What is next?” After listening to the requests of our fans, we decided to shift gears and respond to the positive response from the “Tarnished” game. We are happy to be able to release a sequel to “Tarnished” with many changes to the story. To begin with, what is “Tarnished”? It is the second game in the “Tales of the Abyss” series that we released in December 2010. In “Tarnished”, you and your comrades defeat the deep dungeon dragons that are called “Yiga” that are emerging in the Lands Between. Within the story, your companions, Zidane, and his companions enlist in the Army of Elden to fight the Emperor’s army led by King Seiros. The story of the game takes place in the Lands Between in the five hundred years following the Great War. Humans wandered on the continent. Even while they were fighting and dying, many flowers bloomed. The lands between the races, Elves, humans, and goblins have peacefully coexisted. However, the powerful things, the so-called Yiga that have been appearing, has started to disturb the harmony. The next adventurer that defeats one of these monsters will be the one to save this peaceful continent. Between 1/10/17 and 5/12/17, the Fate/Grand Order mobile game app for Android and iOS

has been downloaded over 10 million times. (FGO official web site) Thanks to the success of the Fate/Grand Order app, we decided to launch this newly developed “Tales of the Abyss” series. The release date of this game is scheduled to be December 24, 2017, on PlayStation 4, Xbox One, and Nintendo Switch. THE WATER IS CHEAP, THE RAIN IS FREE. IT’S THE FUTURE, BUT IT’S PRETTY TOO. After watching the rain fall for a long time, it became so that the rain itself was like a coexistence of life and death. Each drop that fell produced a great number of sparks and moved to the ground. Everyone thought that it was the noise bff6bb2d33

What's new in Elden Ring:

The 'Elden Ring' is a beautiful fantasy action RPG that further develops the world of Tarn Ingus, and is powered by an expansive story carefully written by Hideo Baba, the composer of the Final Fantasy series. Like a grand opera, the story traces the path of three characters, relaying an epic drama born from a myth in the Lands Between. The three main characters are Tarn, Galata, and the protagonist Elden. The theme of the story takes place in the Lands Between, a world where the connections between people have been confused and the boundaries between the living and the dead are not clearly set. The focus of this multilayered story revolves around the protection of the Elden Ring, which grants adventurers the power to control the Lands Between. Whoever controls the Lands Between is able to not only stifle the chaos and break down obstacles, but also impart peace of mind.

In this fantasy RPG, you will be able to play as Tarn, a man who has suffered greatly from the death of his parents, and his friend Galata. As the only remaining member of the Paladin troop, Galata is resurrected from death and finds

herself in a new world. While Galata searches for her lost friend, Tarn finds an elven king named Mizogashira, who asks Tarn for help in finding Tarn's lost amethyst, an object that is said to be able to resurrect the dead. This amethyst is to be brought to Anorei, the royal castle of the lion-headed tribe. If the amethyst is found there, it will allow Tarn and Galata to find a way home.

Tarn believes deeply in the power of the Elden Ring, and is determined to return that powerful object to the Elden King and regain his lost honor.

A dramatic fantasy RPG brimming with challenge and heart-pounding action, the highlight
