To explore the acupoints and meridians on abdominal pain-related symptoms treated by Heat-removing and Circulating-eliminating methods (HRM) based on Chinese medicine. The clinical data of 244 cases of abdominal pain-related symptoms treated by HRM from January 2006 to December 2010 were retrospectively analyzed. The acupoints and meridians on abdominal pain-related symptoms treated by HRM were studied. There were 136 cases, 86 males and 50 females, aged 15 to 70 years old, with a mean of 41.6 years. Among them, there were 86 cases in the subgroup of dysfunction of liver and spleen (DLS) and 50 cases in the subgroup of damp-heat syndrome. The main types of abdominal pain-related symptoms were: abdominal distension (42.5%), abdominal pain (27.8%), belching (21.4%), indigestion (21.4%) and diarrhea (10.5%). The most frequently used acupoints were Baojian (104 cases), Pangguangshu (92 cases), Geshu (72 cases), Shizhong (73 cases) and Xuanzhong (73 cases). The main meridians were Du (122 cases), Ren (119 cases) and Chuan (88 cases). The effective rate was 97.4% and the therapeutic effect was 93.4%. No statistically significant difference was found in the efficacy of treatment between the two subgroups (P > 0.05), but the therapeutic effect of abdominal pain was better than that of abdominal distension (P Q: How to get correlation coefficient of two lists of numbers? Elden Ring Crack Activation Key

The new fantasy action RPG with a unique battle system that innovatively unites elements from different games: 1.The unique and enchanting story of The Elden Ring For over a thousand years, the Tarnished City lay sealed within the Land of Illusion. However, in the 11th year, a colossal dungeon appeared at the foot of the city, which led to the awakening of the Tarnished Lord, Uruz. The boss of the dungeon was defeated, and the slumber of the people of Tarnished City came to an end. 2.The original and intense one-on-one battle system After the awakening of Tarnished City, the inhabitants entered a new world they could not have imagined. In this vast world, the RAGE FIGHTING system has been implemented in the game. Each of the four ARTS uses a different system. Based on the strengths of the RAGE FIGHTING system and the RAGE - LEARNING system that allows players to increase their level of rage, RAGE FIGHTING adopts a system that allows players to select their favorite character, attack enemies, and mix various skills. Even during the fights, players can fully understand their attacks and execute them on command. 3.Under a deep belief in freedom While fighting, players can freely change their equipment, skills, and weapons. Thanks to the RAGE - LEARNING system, players can increase their level of rage, and they can increase their ability to take down enemies. From items purchased, to weapons crafted, to skills learned, players can freely change their gear, and they can make choices that will affect their story. 4.Unparalleled Battle Cinema with an Enthusiastic Cult following The RAGE-CATCHING system is an additional system that allows players to acquire amazing and valuable items based on fighting action scenes. The items can be displayed in beautiful environments. 5.The new character setup system A character is generated based on the story choices. During the development, we considered the most suitable character for a certain game environment, and we made arrangements to allow the player to freely select the equipment and skills of his or her character. •The ELDTUNE system The ELDTUNE system is the new online play system, which supports the interchangeability of parts, as well as the easy combination and simple setup of items. When you register on the Online Game Service, you can download content and use the ELDTUNE system to form
