Overview The game begins in a fantasy world in which the powers of the Elden Ring, a legendary object of power, have been lost, and only a few have remained. You play as one of those castaways and the sole survivor of the crash landing and fight for the future of the civilization. As a young protagonist, prepare to rise through the ranks of the royal warriors, develop your character, and participate in the clash between the forces of darkness and light. # Features * Story The entire story is broken into smaller parts, each of which is the responsibility of the main story. The game is an exciting drama born from the myth of the castaway. It will be a thrilling journey that will have you react to and experience the drama on your own, and you will be able to interact with other players. * Characters, Equipment, and Battle System You will be able to create your own character that was cast out with the other survivors. You will equip your equipment to suit the roles you will play, and will equip your own unique battle skill that will be used to battle. * Combat System The most advanced combat system in a fantasy RPG. The game features a combination of flexibility and challenge. Customize the specification, level, and attack method of your weapons to create the combat system that fits you. You can control the combat and use a skill on your own, or indirectly through the use of a sword or magic. You can use your character's HP, MP, and defense to safely combat while gradually increasing the strength of your weapon and armor to reach an invincible state. # Exclusive Content * Exclusive Title You will receive the exclusive title, Elden Lord, by fully playing the game. * Exclusive Costume You will receive the exclusive costume, Elden Lord, by fully playing the game. # BUGS AND FEEDBACK * Bug reports If you find bugs in the game, please file them through our bug-reporting system (* Feature requests If there's a feature you want to see in the game, please file them through our feature-requesting system (# Credits * Art: Cattleya Inc. But before you go experiencing this game which has been much hyped, know that: 1. The game is \$50 (or 60 euros) on its own. After the promotional period, it will then be \$70 (or 80 euros). 2. You need an S-drive to buy this game. Basically, it is the same price as a PS4, but it's a cheaper system. It is the same price for the box version which can be used to play in a larger group or for LAN, but players can't network as easily. (In other words, it is a simple thing that will sell a lot on release, but it's not as useful as buying a PS4.) 3. For the 60 euros (or 80 euros) you are looking at, you get the game on day one, as well as an S-drive. 4. If you buy the game from an Android app, you only get the game, nothing else. 5. The game does not include a headset. 6. The game is to be played with friends, even if you don't directly connect.

Q: Intuitive meaning of Chebyshev polynomials. What is the intuitive meaning of Chebyshev polynomials? A: In some sense, they are the "power spectrum" of $\cos(\theta)$. The reason for that is that $\cos(\theta)^n$ is the n -th power of a function whose maximal value is 1 (on $[0, \pi]$), so the maxima of the function are given by the coefficients of the Chebyshev polynomial. (It doesn't really matter whether the function is $f(x) = \cos(x)$ or $f(x) = e^{ix}$; any function with bounded absolute value should do.)

President Trump says he is "looking into" an appeal of a federal judge's temporary ban on his refugee travel ban. "We're looking into it," Mr. Trump said during an Oval Office interview with Reuters and ABC News that will air Thursday. Trump calls ruling a "terrible decision for the country" and says he has a different ban in the works. The comments came after a federal judge in Hawaii temporarily blocked Mr. Trump's
