I've. new HU1 voice installed via Android Market.Archives for September 2014 It has been a while since I've been so excited and proud about what we've accomplished in Lautoka. I was very happy to receive the following review from Chris of the GameRooms. Our welcome to the GameRoom, Chris Welcome, Chris! Since we've only been in town for a few weeks, how are the games? And how's the service? I understand some games are running \$5 from one of the three machines, while others have been running out of five screens. Are the screens any good, or are they just there for show? -Your friendly GameRooms representative, JoJo Well, JoJo, we have some great games here in Lautoka! Mario Karts is a new game that we've just had installed and I've already had over 300 people playing it on our Sunday nights. It's a great game that's always fun to play. I've heard that it's been a hit, and you can see in the pictures that our customers are having fun. Another game that is always being watched, and scored to be a hit, is Minecraft Tournaments. But it is not run on a normal computer, but something called the "HydraGame Player." This is built by someone, and they have some cool
