Tombs and Treasures of the Pyramids! is a narrative-driven sandbox RPG by the award-winning Heroes of Jack Hills. Download the game for FREE now at or discover the game at Follow the game at: Join the community at: Game Description: The Ultimate Role-playing and Exploration Sandbox for Fantasy Grounds! This adaptation of the Heroes of Jack Hills game pack features two fully-detailed, animated and skippable videos. Check out a brief overview of the tropes and characters you'll encounter in the game as you brave the harsh desert. And remember - when you play papertris: tombs and treasures of the pyramids, you're plundering tombs of real ancient pyramids. How many jackals have you slain so far? Play papertris: tombs and treasures of the pyramids here: or download it for free from your favourite download manager here: Don't forget to check out Jack Hills' official game here: Treasury of the Pharaohs is a game pack by Heroes of Jack Hills. This is a massive collection of antiquities, they have found those objects whilst raiding Egypt. There are 30 unique items from the pyramids, tombs, boats, temples, volcanos, etc. A brief video gives you an overview of the objects in this specialised game pack. The pack is designed to be used with the Fantasy Grounds sandbox. The pack is hosted on the F.A.T.A.G.E. forum here: This was the first pack I ever made (from scratch) and I hope you enjoy the videos and pack! It would be great to hear your comments. *WINNER OF THE DUNGEON CONQUEST CATEGORY* Follow me on my many different media channels: Our Youtube channel is here : My Facebook page is here:
