football midfieldersA woman in Texas has been accused of murder and accused of having a plan to bring about the end of

the world. Shaneen Allen, 33, of Plainview, was arrested Wednesday after officers responded to a call from the woman's

mother who said her daughter planned to end her life, NBCDFW reports. The caller told police she feared her daughter was

suicidal, even though police said Allen told her mother to contact 911. When police arrived at the home, Allen answered the

door. She was taken into custody after officers believed she posed a threat to herself. Allen's father told reporters that she's

not a religious person, and that he had no idea what would have prompted her to call 911. Allen was being held on a

\$100,000 bond Friday. Read: 'Serial' podcast writer takes on 'podcast priest' Contact us at letters@time.com.Facultative

polyploidy in the moss *Funaria hygrometrica*. Hygrometry was investigated in the polyploid species *Funaria hygrometrica*,

with sympatric diploid populations as controls. Hygrometry was estimated using an index of photoconfidence (IP) based on

differences in the sensitivity to light of the photosynthetic apparatus (PA) between illuminated and non-illum
