Everything began when the universe was created. The element of light separated from the element of darkness and became the water element. When the water element was formed, the consciousness that had existed in the darkness element, known as darkness, began to shine as the new element. In the newly created universe, darkness, which had been nothing more than an element of nothingness, tried to pull all of the elements that existed, and created the Void. Darkness was a miracle in itself, creating all of the elements in one moment. From this point on, darkness would be the root of all evil. Even though darkness is the cause of evil, many of the Elden and the Beastmen—who had split off from the Elden—decided that they needed darkness in order to create the World of Light. Their ambition was to rule the world, despite its many problems, with the existence of darkness. This battle between the Elden and the Beastmen was the famous “Old Tarnished World”, the conventional name for our

Features Key:

Incredible World A vast open world where you will encounter countless enemies to battle. • The Most Immersive Game Experience A 3D action RPG that combines the phenomenal graphics of the console platforms and the playability of the PC. You can now enjoy the rich gameplay of the console versions.

Faithful to the Myth The story and setting of the story are faithful to the myths of the world of Elden. • An Epic Drama A multilayered, engaging story with dramatic conflicts and twists, which will be enjoyable to all.

Multiple Play Modes In addition to in-game battles, there are also memorable maps to fight and relish. More than 15 classes and about 150 skills are available. Furthermore, there are numerous relationships that you can expand and mutually strengthen.

Aun “I Don’t Mind...” Mode If you lose all your HP, a cube of fresh food and a little fluffy pet will be automatically summoned. The cube is miniaturized, so even if you’re outnumbered, you can still overpower your enemies and enjoy the simple pleasure of consuming the food. • A Unique Online Element As you play with others, the presence of others is reflected in the game. Connect with other players, and it will be accompanied by a shared experience that drives you to new heights.

Challenge Your Imagination The strength of your character’s stance is amplified by combining weapons and armor. Use a variety of skills and attack patterns to wear down your opponent, annihilating them with devastating single-target attacks. Then, move on!

Enjoy Benefits from Steamworks As you rank up, you can equip powerful, enhanced equipment that lets you enjoy nice graphics, sound quality, and benefits from Steamworks.

Prove Your Skills As you progress, you will have various missions, battle missions, and part-time jobs where you can equip powerful items and gain experience points. All this will help you gain strength and experience to level up.
